

Come volunteer with Friends of Verde River Greenway!

**Saturday, November 15th
9:00 a.m. — Noon**

Come and learn about the unique riparian habitat along the Verde River that supports plants, animals and people alike!

Big's and Little's will work with staff from Friends to remove invasive plants from the bank of the Verde River.

This work is appropriate for all age levels!

Bring work gloves, water and a bag lunch so we can eat together along the beautiful Greenway!

Meet on 10th Street between River Front Park and the 10th Street Bridge. Gravel Parking Lot on left. Where the Hang Gliders Land in front of the Dog Park.
